MUSC – Swim Club of the Year

As part of the 2008 Telstra Swimmer of the Year Awards, Monash University Swim Club was awarded the 'Australian Unity Swim Club of the Year' for 2008.

Monash finished in the top three clubs last year, this year finishing ahead of Melbourne VicCentre, Nunawading and Redcliffe to take out the top prize.

The award recognizes the dramatic improvement and rapid growth of Monash University Swim Club and confirms its status as a nationally renowned swim club.

Club committee members Robert Dehaini and Michael Dever were present at the awards night to accept the award. Monash University Swim Club will now receive a trophy and \$5000 from Australian University for their efforts.

This would not have been possible without the support of Monash University, the hard work by the past and present committee and the drive and motivation from head coach Ross Price.

Who said it?

Strength does not come from winning. Your struggles develop your strengths. When you go through hardships and decide not to surrender, that is strength.
